1. Introduction

This Cookie Policy explains how Millbank Technologies Limited ("Millbank", "we", "us") uses cookies and similar technologies on:

- The Millbank Technologies website
- The compraPRO SaaS platform

It should be read together with our Privacy Notice. We comply with the UK General Data Protection Regulation (UK GDPR) and the Privacy and Electronic Communications Regulations (PECR).

2. Do we use Cookies?

We do **not** use non-essential cookies, analytics cookies, marketing cookies, or tracking technologies on our website or within the compraPRO platform.

We do **not** use:

- Google Analytics
- HubSpot tracking
- LinkedIn Insight Tag
- Application Insights
- Azure Monitor browser cookies
- Advertising or behavioural tracking cookies
- Cookie-based analytics tools

Because we do not use non-essential cookies, **no cookie banner is required**.

3. Strictly Necessary Cookies

The compraPRO platform may use **strictly necessary session cookies** to enable secure login and core functionality. These cookies:

- Do not track you
- Do not analyse behaviour
- Do not store personal data
- Are deleted when you close your browser

These cookies are permitted under PECR and do not require consent.

Examples include:

- Authentication tokens
- Session identifiers
- Load balancing cookies

These are essential for:

- Logging in
- Maintaining secure sessions
- Navigating the platform

You cannot disable these cookies without preventing the platform from functioning.

4. No Analytics or Marketing Cookies

We do not use:

- Performance or analytics cookies
- Functional cookies
- Marketing or advertising cookies
- Third-party tracking cookies

No consent is required because none of these cookies are set.

5. Third-party Cookies

We do **not** embed third-party content or services that set cookies in your browser.

Our Sub-processor Register lists the third-party services we use, none of which place cookies on your device.

6. Managing Cookies

Because we only use strictly necessary session cookies, there is **no need** to manage cookie preferences or display a cookie banner.

If you wish, you may still block or delete cookies through your browser settings, but doing so may prevent the compraPRO platform from functioning.

9. Changes to This Policy

We may update this Cookie Policy from time to time. The latest version will always be published on our website.
